SCHOOL LUNCHES

It is important that you know, a recent decision was made that all lunches will be free for all students for the rest of 2020.

We encourage our families to still apply for the lunch program in the event this decision is overturned. That way your lunch service will continue without interruption. Some families are prequalified, so please check with the office before applying online.

WELL CHECK FOR STUDENTS

Every morning before bringing your student on campus, please do a "well check" to ensure your child(ren) are learning ready. If these symptoms are not explainable by a pre-existing condition or otherwise unexplainable, please do not send your child to school. We recognize that there are any number of other childhood conditions that typically children get, however, due to our present situation with this virus, we all need to be especially careful when sending our students to school.
