Sign Up Now For Afterschool Dance Classes!

TO REGISTER FOR HEARTLIGHT PLEASE FOLLOW BOTH OF THE REGISTRATION STEPS:

#1- Call 619-719-6071 after 8:00am or email RyanHeartlight@gmail.com to Pre-register. We need: the name of your child’s school, child name, grade, after class pick-up information, and parent cell # prior to the start of the class. Please do not wait until the morning of the class to pre-register and/or pay online. Early registration helps us in organizing the class on the 1st day, and is appreciated.

#2- Pay for the class by either: bringing, or sending with your child, the $45 registration fee to the first HLSD class or pay online at HeartlightSanDiego.com. Make checks payable to: CFF or California Fitness Fun. Online payments must be processed by the start of the 1st class.

#3- MOST IMPORTANT: Bring, or send, this completed and signed form and the $45 fee to the HLSD Instructor at the first Heartlight Dance class. We do need this form returned for all students, especially if paying online.

-------- Please print clearly in the space below. Please keep the top portion of this form for your records ---------

School: _______ Literacy 1st Primary _______ Cell Phone #: ________________

Child: __________________________ 2nd Phone #: ______________________

Grade/Room #: ______________________ Email: _____________________

Please do not indicate online payment, unless it has been made.

Parent: __________________________ Online/Cash/Check #: ________________

Please do not give this form to the office or classroom. Return this form to your Heartlight Instructor! Students must not be left unattended on campus, be sure to pick up your student on time. Remember school rules apply; good behavior is required in all CFF classes. Please list any health concerns on the back.

Thank you!

If you like to build with LEGO® bricks - you’ll love this! In Snapology's Real World Robotics class, students interested in technology will create robotic models inspired by real life robotic technologies. Students learn about gear ratio, sensors, simple machines, and programming as they build alarm devices, earthquake detectors, robotic arms, and much more. Your child will have a blast exploring the world of robotic technologies.
