Way to go kids!

LOST and FOUND...Please check the lost and found. We have a growing pile of sweatshirts, jackets and lunch pails that have been left on the playground. Please mark your child’s name in their jacket so we can return the jackets to their owner. This will greatly help our growing pile. The Junior Academy will be donating any items left after Dec. 21st.

“I feel that there is nothing more truly artistic than to love people.” —Vincent Van Gogh

Christmas is a rich time for literature! In all of the classes, we are looking at classics such as the Nutcracker, Velveteen Rabbit, 12 Days of Christmas, and the Night Before Christmas. We look at how literature carries tradition and how classic literature can be interpreted differently by different illustrators. We even have our own Christmas tradition: Candlelight Library!!

If you like to build with LEGO® bricks - you’ll love this! In Snapology's Real World Robotics class, students interested in technology will create robotic models inspired by real life robotic technologies. Students learn about gear ratio, sensors, simple machines, and programming as they build alarm devices, earthquake detectors, robotic arms, and much more. Your child will have a blast exploring the world of robotic technologies.
