

COVID 19 Testing Plan

1. Tamara Contasti is the Literacy First Charter Schools' COVID 19 point of contact. She can be reached at tamara.contasti@lfcinc.org or 619.579.7233.
2. Literacy First Charter Schools encourages, teaches, and practices proper hand washing and provides ample access and supplies for staff and students to maintain clean hands.
3. Literacy First Charter Schools improves indoor air quality using effective ventilation and air filtration systems.
4. Literacy First Charter Schools routinely cleans its facilities to sufficiently remove the virus that causes COVID 19 from surfaces.
5. Literacy First Charter Schools manages staff and students exposed to COVID 19 and / or showing symptoms of COVID 19 according to the most recent version of the CDPH COVID 19 Decision Tree.
6. Literacy First Charter Schools recommends staff and students use an antigen COVID 19 test if they show COVID 19 symptoms and/or before returning to school after a break. COVID 19 antigen tests are available at each Literacy First Charter School office and through the San Diego County Office of Education.
